**STIPULATED ORDER CONCERNING WAIVER OF AUTHENTICITY AND CHAIN OF
CUSTODY OBJECTIONS TO SPECIFICALLY IDENTIFIED EVIDENCE**

The State and the Defense, in a mutual effort to reduce the scope and quantity of certain testimony otherwise necessary under the rules of evidence at any future pre-trial immunity (“Stand Your Ground”) hearing and/or any trial, stipulate and agree to waive any potential “authenticity-” and/or “chain of custody”-related challenges pertaining to the specifically identified evidence listed below;

The State and the Defense agree that “authenticity” and “chain of custody” under this Stipulated Order means that each of the below referenced items of evidence:

- (i) are what this Stipulated Order describes them to be, thereby removing any need to authenticate and/or identify them pursuant to section 90.901, Fla. Stat.; and
- (ii) contain a fair and accurate representation of the data that (a) the camera recording system within the Cobb Grove movie theater captured and (b) the Cobb Theater preserved;

The State and the Defense agree that both parties reserve their right to raise relevancy and/or any other legal challenge(s) to the admissibility of each and every specifically identified item of evidence within this Stipulated Order.

The State and the Defense further agree that this Stipulation Order will remain in full force

and effect for all hearings and trials of this case.

The specifically identified evidence to which authenticity and chain of custody claims are being waived are:
